

September 2016

Dear Parent/Carer,

Thursday 29th of September is parents' evening for parents and carers of our Y11 students.

Parents' evening will start from 3:00pm and will continue to 6:00pm in the main hall.

Last year's Y11 results were some of the best we have ever achieved at De Lacy and we are proud of those students and thankful to their parents for the support and time they gave to help their children succeed.

Your support is always appreciated and is more important than ever in this final year at school. Your child will have appointments logged in the back of his/her planner. It is their responsibility to make appointments on your behalf and find a suitable time with each subject teacher. You do not need to see your child's form tutor.

If you are unable to make it, please contact the school through e mail or by ringing reception.

Looking forwards to meeting you next Thursday,

Yours faithfully and on behalf of the Senior Leadership Team,

Mr S McKee
Assistant Principal
