The following is a personal invitation to Year 11 parents to attend a meeting with the Senior Leadership Team and Faculty leaders at De Lacy Academy on Thursday January 5th.

Dear Parent/Carer,

De Lacy Academy is investing hours of time and a significant amount of money to ensure that your child/our students attain the best possible grades they can get. Last year, we held extra lessons called Period 6 after school, we had Saturday morning sessions and holiday revision classes as well.

This year, we will offer all of the above again and in addition, the opportunity to offer a very limited number of places to our Y11 pupils to work with a company who will spend a week with students, encouraging them both in confidence and academic skills to achieve at least a grade higher than they are currently working at in maths and English. This will involve a lot of hard work and commitment from the pupils selected and from you as parents to ensure that they attend the sessions and do well.

I'm sure I do not need to emphasise the importance of all students passing maths and English at the new grade 5 or above. This will be more difficult than in previous years and we would like to discuss this with you.

We look forward to meeting you at 5:30pm on Thursday, January 5th in the school's Main Hall. We will provide a fish supper for you and your child as it is extremely important you have the opportunity to hear about our revision and intervention support and to have a chance to ask subject leaders any questions you may have.

There will be an opportunity to acquire some FREE revision guides as well as the chance to purchase non-core study guides.

For catering to be accurate, please confirm that you are able to attend, by ringing reception on 01977 622850 or by e-mailing: info@delacyacademy.org.uk

Thank you.

Yours faithfully,

Mr C Pritchard
Vice Principal
