June 2017

Dear Parent/Guardian,

As you are aware, your son/daughter has completed the vast majority of their GCSE subjects and as such we have reached the tipping point where there are more subjects finished than are still running. As of today, he/she may return home after examinations and need only attend for scheduled revision sessions. Normal lessons will no longer run.

Where your son or daughter has a revision session, these are still compulsory and he/she must still attend in full uniform as always. The table below provides a summary of remaining sessions.

	am	pm
16th June	All students to attend Physics exam at 9.00.	Students studying Business and Film studies to remain in school for the rest of the day.
19th June	Film and Business students in school all day for revision and examinations.	
20th June	Students doing General Studies to attend school at 11.30 – 12.30 for revision with Mr McCall in hall.	1.00 General studies exam.
21st June		1.00 Russian Writing exam.
22nd June	8.30 - 12.30 Film studies Revision.	1.00 Film Studies exam.
23rd June	8.30 – All Product Design students for revision. 8.30 All Business Studies students for revision.	1.00 Business exam. 1.00 Product Design students continue revision.
26th June	9.00 Product Design Exam.	

Can I end this letter by saying on behalf of all the staff what an absolute pleasure it has been to teach the class of 2017. They have been mature, respectful, humorous and above all - absolutely dedicated.

We have also enjoyed exceptional support from you as parents and carers. On a personal level, having only joined the Academy in January, my only regret is that I did not do it sooner. De Lacy is a wonderful Academy and the current Year 11s have been a massive and integral part of making it thus. They are role models and future leaders - we will miss them immensely. We wish them and you all the best for the future and look forward to seeing them at the prom and on results day.
