Careers Café - Art & Computing.	Students will participate in an assembly/life lesson related to the Local Labour Market Information. They will develop a greater understanding of the jobs/careers available in their local community. We can use our local business contacts to engage with the students - careers panel. Careers Cafe - English & Geography.	Apprenticeship Week which will enable pupils to consider their future careers. Students will use the "START" programme to explore new career ideas and save them in their locker for the future. This will make them consider their career journey and how it could potentially be mapped out. Careers Cafe - History & Languages.	Careers sessions in form time will investigate personal preference and potential career options. The careers focus contributes to the all about me curriculum theme as it broadens their own awareness. Students will participate in Apprenticeship Week and Careers Week which will enable them to consider their future career. Careers Cafe - Maths & Perf Arts.	Subjects, when introducing British figures into their lessons, also discuss the British role model's career and how it came about. Careers Café - RE & Science	Enterprise day linked to Charity/making money for charity. Careers café - Sports & Technology.
