Geography Learning Journey Y7-11

'Geography is the subject which holds the key to our future.' MICHAEL PALIN

YEAR 11

The Challenge of Resource Management | R | River Landscapes | R | Issue Analysis | Final Examinations

- Changing Demand
- Sustainable Modern Industry
- North South Divide
- The UK's post industrial economy
- Economic Development in Nigeria
- Economic development and quality of life
- Increasing energy supply
- Sustainable Energy
- Importance of Food Energy and Water
- Long & cross profile
- River Processes
- Fluvial Landforms
- Flood Management
- Pre Release
- Regeneration
- Urbanisation
- Mitigation and Adaptation
- Causes and Impacts Climate Change
- Improving the quality of life of urban poor
- Sustainable Urban Living
- Small Scale U.K. Ecosystems
- Sustainable Rainforest Management
- Coastal Management
- **FIELDWORK: Do housing inequalities exist in.....?**
- **FIELDWORK: Are sea defences at Hornsea effective?**
- Coastal Landforms
- Coastal Processes
- Tropical Rainforests : The AMAZON
- Impacts of Deforestation
- Global atmospheric circulation
- Opportunities and Challenges in a NEE MUMBAI
- Urban change in LONDON, Opportunities and Challenges
- Impacts of tropical storms
- Weather hazards U.K.
- Tropical storms, location and formation
- The 3 Ps
- Responses to natural hazards
- Natural hazards
- Plate Tectonics
- Migration
- Energy security / insecurity
- Sustainable Energy

Changing Economic World | Fieldwork | Coastal Landscapes | The Living World | Urban Issues and Challenges | The Challenges of Natural Hazards

Learning revisited — R

YEAR 10

Do we have enough? | How we Close the Development Gap?

- **FIELDWORK River Study Dallowgill**
- Hydrographs
- Flood management
- UK food, water and energy
- Fracking
- Demographic Transition Model
- Closing the development gap
- Population policies
- Contrasting East Asia
- Extreme Weather
- Volcanoes
- River landforms and processes
- TNC's
- Population pyramids
- 3 P's
- Earthquakes
- Plate boundaries

What makes our Rivers Rage? | Is Asia Advancing? | Why is our Earth Restless?

YEAR 9

Will the world's population reach 10 billion? | Is Business booming?

- Causes of population change
- Effects of over population
- Clark Fisher Model
- The true cost of football.
- Can business be sustainably managed?
- Where is the happiest place on earth?
- Fast fashion
- Should Nike just do it in Cambodia?
- Managing the coastline
- Coastal landforms and processes
- The Yorkshire Coast
- Building in the desert
- Lessons from the Aral Sea
- **FIELDWORK Microclimates across school**
- Causes and impacts of climate change.
- Impacts of tropical storms in HICs and LICs.
- Forbidden Places
- 3 Gorges Dam
- What is development?
- Managing climate change
- What is weather and climate?
- Tropical Storm Formation
- Location of tropical storms

Why are our Coasts Collapsing? | Are there Challenges to Development? | Is the Climate in Crisis? | Can Hurricanes cause havoc?

YEAR 8

Is the Amazon Awesome? | Can our Perceptions of the World be Challenged?

- Impacts of flooding in HICs and LICs
- Deforestation causes and impacts
- How can the rainforest be managed?
- How can a bike change someone's life?
- Will Africa always be 'poor'?
- **FIELDWORK Infiltration Rates York Flood Defences Field Trip**
- Structure and adaptations
- Surviving in the tropical rainforest
- Is the world divided in two?
- The danger of a single story
- Causes of flooding?
- Hydrological cycle
- Informal Settlements
- Kenya: a country of contrasts
- To drill or not to drill for oil in Alaska?
- Climate graphs
- Site and settlement
- What is Human and Physical geography?

Can Water be Managed? | Is Africa Awakening? | What makes Environments Extreme? | What is geography?

YEAR 7

- Urbanisation and migration
- Africa's physical features
- Animal adaptations
- Great polar explorers
- Where do people live in the UK and why?
- Skills

DELTA Academies Trust
